MeetMaker
Online Gymnastics Meet Registration

To import your AAU roster, you need to use the .csv file. You will must not change anything in the layout of the file (do not delete or move columns) and save as a .csv after filling out. You must fill in the fields in the example file.

The following levels are importable in the gymnast file:
Level 1
Level 2
Level 3
Level 4
Level 5
Level 6
Level 7
Level 8
Level 9
Level 10
Xcel Bronze
Xcel Silver
Xcel Gold
Xcel Diamond
Xcel Platinum
Open Optional

And on the coaches file:
Coach

The levels must be entered as they are named above or the system will not import them.
We are working on making the import work with Xcel Gymnast.
