Dear Graduating Senior,

We are so excited to hear that you are graduating this year, and have been involved in our sport to this level.

We love to recognize all seniors so everyone can appreciate and celebrate your hard work and dedication through the years. We ask that you please complete the attached senior bio form and return it to the address on the form by March 31st. Senior recognition gifts are ordered at the beginning of April, so please email this form by the deadline to assure you are included in the order.

We then ask you to use this information and create a beautiful Gymnastics Memory Board for us to display at the meet please. Put this bio information on a board and add some photos of you during your gymnastics career.

We like to display these memory boards at AAU State Championship as long as possible, so we ask you to send it to the meet with your coaches. You may then pick it up before you leave, or preferably, have your coaches pick it up later.

If you have any questions, please email Harrisgymnastics@ymcacharlotte.org. Again, congratulations on your achievement!

Jessica Harris
NC AAU District Director
