Motion: Brad Harris

Second: Karen Pleasants

Allow (for 2021 only) for athletes petitioning to L 9/10 Regionals be accepted with an AA score of 35.50 and above rather than a 36.00 AA. A positive Covid test result or proof of required quarantine that prevented them from competing at their state meet may be used as medical note. Athletes that competed in a state where their championship meet was March 19-21 may petition due to injury, illness, or COVID, even if they competed four events. In the case where the athlete competed four events, they would have to show a positive Covid test result or proof of required quarantine that occurred the week prior to their state meet. All petitions must be received by Monday, March 29th by midnight after state meets except medical note is due Wednesday, March 31st by midnight.
